

B2G Diversity Management System

Baltimore City's Diversity Management System B2G is Coming Soon!

The Minority and Women's Business Opportunity Office (MWBOO) plays a critical role in the City's relationship with suppliers and service providers. MWBOO oversees compliance with Baltimore City Code Article 5, Subtitle 28 governing Minority Business Enterprises (MBE) and Women's Business Enterprises (WBE). All contracts over \$50,000 are subject to MWBOO MBE/WBE contract participation goal requirements. In tracking MBE/WBE utilization you will be required to register for the City's Diversity Management System.

The system is accessible to all firms doing business with the City and includes the following key features:

- Submission of contractors' utilization reports online with automated tracking of goals and participation;
- Verification of subcontractor payments; &
- Automated email communications with subcontractors regarding compliance.

You will be receiving information regarding registration and training in the coming weeks.
