

## **Final Stretch of the Disparity Study**

This is the last opportunity to provide your comments on your experience doing business or attempting to do business with the City of Baltimore (City) and/or the Housing Authority of Baltimore City (HABC) or their prime vendors (if you worked or attempted to work as a subcontractor).

Your participation and input are critical to understanding how we make changes to purchasing and participation policies.

There are multiple ways to participate. Choose from below which **one** best suit you:

1. Sign up to participate in a focus group with peer businesses. [Click here](#) to register for the date and time that fits your schedule.
2. Participate in a one-on-one interview. MGT has hired Chrysalis Collaborations and Walker Benefits to conduct these interviews. If you receive an email or call from one of these firms, we ask that you respond and provide your feedback.
3. Complete an online survey regarding your experience(s). Visit [www.cityofbaltimore-habcedisparitystudy.com](http://www.cityofbaltimore-habcedisparitystudy.com). A link to the survey can be found on both the Home page and Business Owner Participation page.

**Your participation and feedback are vital to the success of the study and the recommendations developed as a result.**

You can find more information about the Study at [www.cityofbaltimore-habcedisparitystudy.com](http://www.cityofbaltimore-habcedisparitystudy.com).

If you have questions or would like additional information, please contact Vernetta Mitchell at [vmitchell@mgtconsulting.com](mailto:vmitchell@mgtconsulting.com). Thank you in advance for your assistance.
